

QHSE Policy

“We are ready for SAFETY”

In RS DIVING CONTRACTOR GmbH, we are all committed to:

- being recognized as a best-practice organization for Quality, Health, Safety and Environment (QHSE) Management.
- achieving the main QHSE goals, namely zero accidents, no harm to people and protection of the environment, including prevention of pollution, and satisfying our clients and all other interested parties.
- achieving safe and incident free workplaces.
- focusing on preventive safety and environmental protection measures, improving safety performance and environmental protection as well as continuous improvement of customer satisfaction and our organization.

“Think safely, work safely and encourage others to do the same”

In RS DIVING CONTRACTOR GmbH, we make safety a reality by:

- conducting our work in compliance with relevant health, safety and environmental legislation and other applicable compliance obligations.
- establishing and maintaining a safe and healthy work environment.
- utilizing competent personnel and ensuring their well-being.
- providing the necessary personnel protective equipment.
- maintaining a high level of awareness, motivation and training for all employees.
- employing certified and tested equipment.
- using systematic risk assessments as an integrated part of our work.
- issuing and reviewing task specific work procedures.
- carrying out audits and debriefings.

“One team, one goal: No incidents and satisfied clients”

To ensure the consistent and effective implementation of this QHSE policy throughout its operations, RS DIVING CONTRACTOR GmbH will establish, maintain and continually improve a corporate QHSE Management System in conformance with the legal requirements.
